"Let Freedom Ring."

". . . government of the people by the people and for the people."

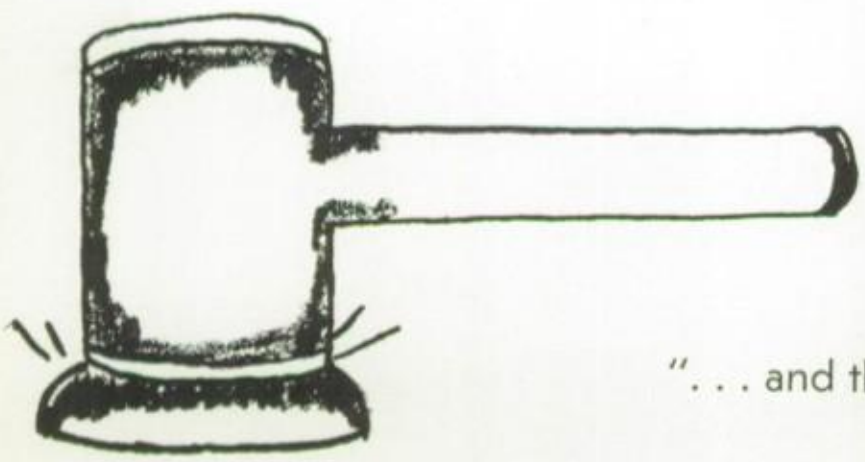
"Ask not what your country can do for you—ask what you can do for your country."



". . . and the just man shall conquer."

Foreword:

RICA

In the democratic society the individual is the real basis of foundation upon which our country is built. Our American Heritage has always stressed the individual. From the Revolution to our explorations in space it has been the efforts of the individual united for the common good which have insured success.

Therefore, we the PROVIDENTIA staff members have placed our emphasis on democracy, on the principals and ideals that make America a great country.

Dedication . . .

We, the staff of 1964-65, proudly pay tribute to Sister Michael Rose for whom we hold such high regard as principal, teacher, librarian and friend. Her cheerful smile and unfaltering desire to assist have brightened many days of all around her.

A devoted teacher, Sister Michael Rose has enchanted many students in her eloquent World History classes. In her Religion IV classes, seniors have realized their philosophy of life and have learned to apply it to a practical Christian life. Our library owes its respect, value and perfect maintenance to Sister Michael Rose.

Seven years of expert leadership have shown to Providence the "wonderfulness" of this great person. As principal, Sister has been the foundation and keystone of the many successful activities of the year.

Sister Michael Rose, for your rare ability to add pleasure to learning, to be a true friend and a perfect woman, and to dedicate your all to us, we give our 1964-65 "Providentia" to you.

Sister cheerfully fulfills one of her many duties as principal by handing out an award to Barbara Michiels.

Sister pauses for a coke with fellow sisters after an assembly.

Sister enjoys spreading her knowledge to the Seniors.

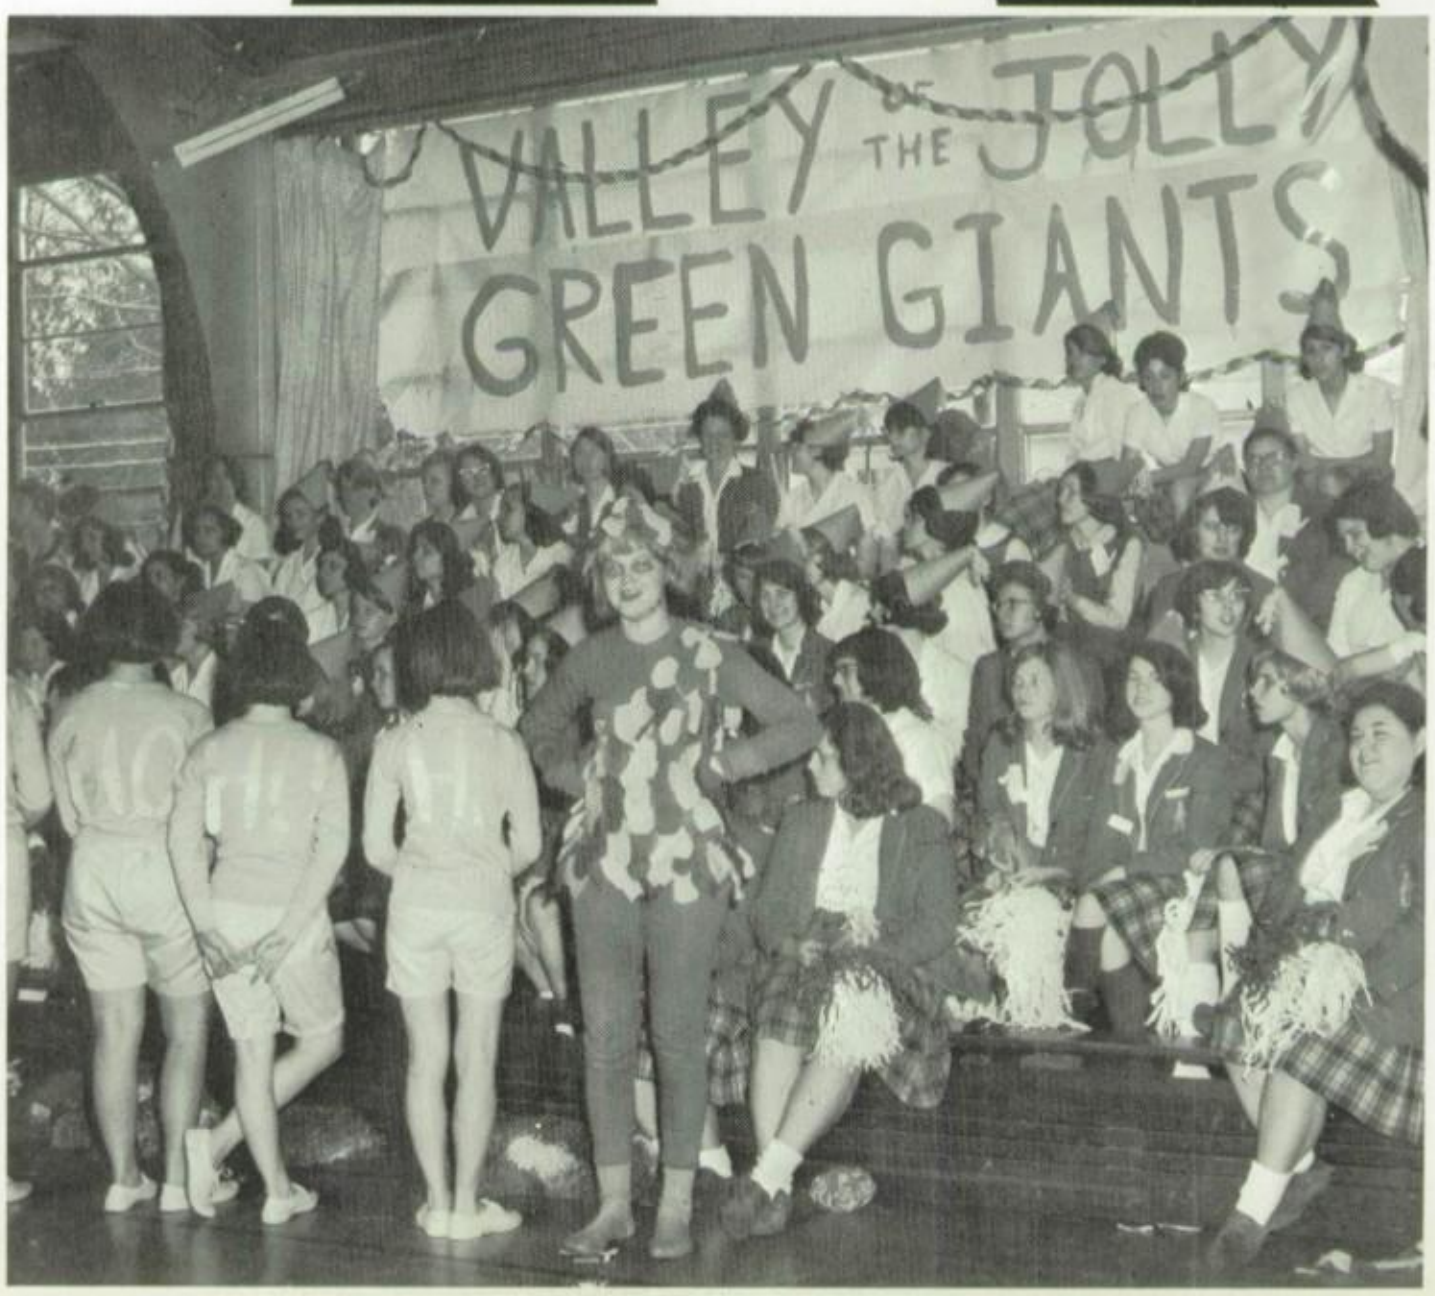
Carnival Spirit Continues Through Tournament



Spirit portrayed at Carnival is vividly maintained during tournament.

Today We Follow:
Tomorrow We Lead

CLASS SONG
(Tune of "Cruel War")

School days are over
Graduations near,
We have to be parting
But not without tears.
We don't want to leave here
It grieves our heart so.
We want to stay with you
But now we must go.

Tomorrow is one day
But Friday is the day
That the world will be calling
And we must obey.
The world will be calling
It grieves our heart so
We want to stay with you
But now we must go.

We'll walk up together
Our eyes how they shine
But we'll think of our classmates
We're leaving behind.
We don't want to cry
But it grieves our heart so
We want to stay with you
But now we must go.

We'll walk up together
We're leaving behind
But the memories will be
With us for all time.
We don't want to leave here
It grieves our heart so
We want to stay with you
But now we must go.
